*Stone Oak  
Business  
Association*

## Who We Are:

The Stone Oak Business Association (SOBA) is a grass-roots organization that gives Stone Oak businesses a voice within the community, while providing a forum for business members to network, increase their company's visibility, and strengthen business relationships.

SOBA was founded in October, 2001 by Gina Groomer-Barbera and Russell Groomer, co-owners of *Welcome Home! Community Newspaper*, a publication distributed to over 52,000 area residents. As small business owners themselves, they saw a need for networking opportunities in this ever-growing region of San Antonio.

The association is here to educate and inform its members as it strives to actively represent, promote, and support the business community. SOBA does this by offering monthly meetings featuring prominent speakers, networking events that attract over 100 people, and countless avenues for your business to be seen and heard throughout the north side. With roughly 400 members, this growing organization embraces a free exchange of helpful information and mutual support, helping to expand and support this tight-knit community.

## A Business and Medical Directory for Stone Oak and Surrounding Areas

Dear Business Neighbors,

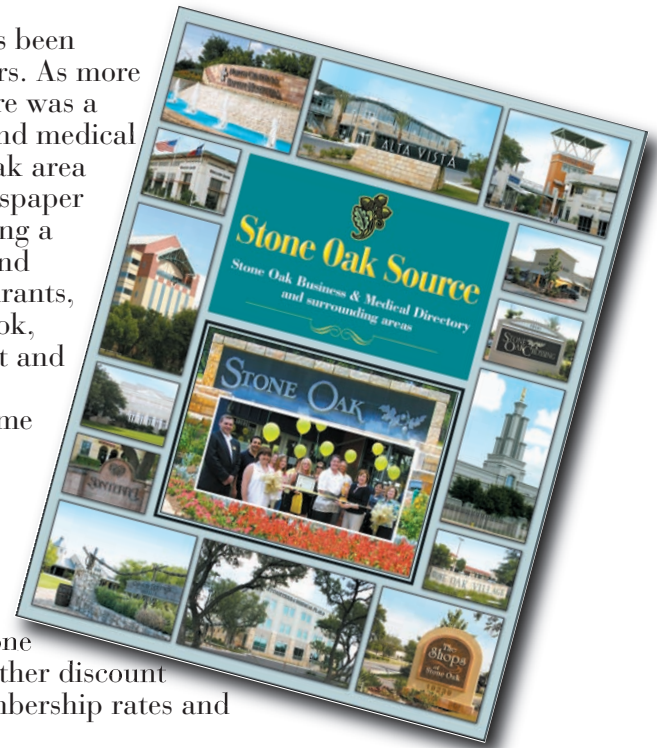

Throughout the years, the Stone Oak Business Association (SOBA) has been working hard to promote strong relationships between business neighbors. As more and more businesses joined the association, it became apparent that there was a dire need for a directory of all these various businesses, organizations, and medical offices and facilities – in other words, a guide to everything the Stone Oak area has to offer. In June 2009, SOBA and Welcome Home! Community Newspaper published the first edition of Stone Oak Source, which in addition to being a directory, provides important information regarding local schools, city and government offices, utilities, and fun information on things to do, restaurants, shopping, and the history of Stone Oak. A beautifully bound 8”x10” book, Stone Oak Source is both an essential guide for every Stone Oak resident and a treasured publication with a great shelf life.

The full color book is covered in a heavy-weight, varnished paper. Prime placement advertising is offered inside the front cover, inside the back cover, and on the back cover. A limited number of pages throughout the book are 70 lb. glossies, also considered prime placement, and all other pages are 50 lb. offset.

Members of the Stone Oak Business Association will receive a complimentary business or medical listing and a discounted rate for advertising. Membership also includes a link on SOBA’s website, the Stone Oak Source website, a ribbon cutting ceremony for your business, and other discount opportunities. Please talk to your sales representative about annual membership rates and other benefits.

A total of 10,000 copies of Stone Oak Source will be delivered to local businesses for free distribution to the public. SOBA members, local real estate offices, and hotels will all have copies, and books will also be hand delivered to new home owners in the area.

The growth of Stone Oak and its surrounding areas has been amazing to watch, and it is still expanding at a rapid pace. This local guide is an invaluable resource for long time residents and new neighbors alike.
